

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

This "Stolen Honor" pseudo-news constitutes an illegal "IN-KIND" contribution to the Bush Election Campaign, and MUST NOT BE ALLOWED, or their privilege to broadcast MUST BE REVOKED!

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest, not those of certain political parties.

Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard. Thank you.
